#### Target group:

Immigrated academics with German level at least B2.

#### Contents:

You can choose between three options depending on your own timetable and competences.

##### RAPID

Takes 3 months and it is focussed on coaching your language and methodical skills. This includes 1-3 coaching modules, 2 soft skills seminars (one day), 3 webinars (IT themes).

##### FLEX

If you are working (part- or full time) or be occupied with familiar or other business, then you could choose this more flexible form with 8 months duration. It includes 1-3 coaching modules, 3 soft skills seminars (one day), 3 webinars (IT focus) and 1 specialized module of an course of study at the virtual university of applied sciences.

#### Methods:

Blended Coaching: Innovative, didactical approach with face-to-face and on-line learning elements. Apart from workshops at Beuth University of Applied Sciences you are studying by yourself and with your own peer group. You will also balance, improve and profile your competences. In cooperation with our coaches you will search and apply for your next highly qualified job.

#### Results and Certification:

It is important to know that all the results depend on your own activities and your motivation! You get a certificate of attendance for our coachings and soft skills seminars (RAPID, KOMPAKT, FLEX) and you can earn a certificate for your specialised module, if you are passing the obligatory tasks and final exam (only KOMPAKT and FLEX). For special achievements we are offering Badges in different categories like language, methodical, social and management skills. For further information please visit our website.
